

INDEPENDENT CAPITAL · LONG-TERM PERSPECTIVE

Building value beyond *the horizon.*

Skyline Holding is an independent investment holding company focused on long-term value across businesses, real assets and transformative industries.

— INVESTOR & STRATEGIC PARTNER PRESENTATION

HEADQUARTERED IN ANDORRA LA VELLA

THE OPPORTUNITY

A longer view for a *changing world*.

- Markets, industries and capital needs are changing faster than traditional investment models
- Long-term value requires perspective across businesses, real assets and transformative industries
- Skyline combines disciplined capital, strategic insight and an international outlook
- The objective: identify opportunity, invest with conviction and help build stronger businesses

PERSPECTIVE CREATES OPPORTUNITY

Capital is most powerful
when paired with clear
thinking, strong
relationships and long-
term ambition.

CAPITAL

STRATEGY

PERSPECTIVE

SKYLINE AT A GLANCE

Independent capital with a *global perspective*.

06

LEADERSHIP &
INVESTMENT TEAM

HEADQUARTERS

Andorra la Vella

Andorra

01

Independent

A focused holding company with an owner's mindset.

03

Diversified

Businesses, real assets and transformative industries.

02

Long-term

Patient capital built for enduring value.

04

Aligned

Relationships with investors, founders and partners.

OUR INVESTMENT THESIS

Selective conviction over *activity*.

- Research-led decisions before capital is deployed
- Selective conviction over activity for its own sake
- Active value creation beyond capital where appropriate
- Long-term relevance and resilient demand
- Clear value propositions and tangible paths to value creation
- Alignment of interests, scalable potential and disciplined risk assessment

THE FILTER

Quality · Relevance · Alignment · Resilience

A PLATFORM BUILT ON PERSPECTIVE

More than capital. *A point of view.*

01

Capital

Disciplined capital
deployed with intent.

02

Strategy

Clear objectives,
structured allocation
and scenario planning.

03

Perspective

International insight,
market intelligence and
long-term thinking.

04

Partnership

Aligned relationships
designed to compound
value over time.

05

Progress

Openness to new ideas,
technologies and better
ways of building.

INVESTMENT FOCUS

Investing in what's *next*.

Skyline invests selectively across businesses, real assets and transformative industries where strong fundamentals, long-term relevance and active value creation can create enduring opportunity.

Selective. Structured.
Long-term.

SECTOR FOCUS · 01

Real Estate & *Infrastructure*

Strategic investments across property, development, hospitality and essential real assets.

- Strategic property with quality, location and long-term utility
- Infrastructure assets supporting essential economic activity
- Hospitality and development opportunities
- Focus on resilient demand, disciplined execution and lasting value
- A real-assets lens that connects places, communities and capital

REAL ASSETS · RESILIENT DEMAND · LASTING VALUE

SKYLINE HOLDING

SECTOR FOCUS · 02

Private Equity & *Growth Capital*

PARTNERING WITH AMBITION

Capital paired with
strategic guidance and
active support.

QUALITY BUSINESSES · ALIGNED
LEADERSHIP

- Partnering with ambitious businesses with sustainable growth potential
- Capital paired with strategic guidance and active support
- Quality businesses with clear market demand
- Aligned leadership and long-term growth orientation
- Operational strength and management quality as core considerations

SECTOR FOCUS · 03

Technology, AI & the *next operating model*

- Evaluating technologies reshaping productivity and infrastructure
- Focus areas include software, AI, automation and digital systems
- Looking for durable relevance and measurable strategic value
- Investing in the systems that shape the future of business
- Technology considered through a long-term, real-world impact lens

SECTOR FOCUS · 04

Healthcare, life sciences & *essential demand*

- Backing healthcare, pharmaceutical and life-science opportunities
- Focus on innovation, long-term demand and real-world relevance
- Seeking strong fundamentals and resilient market need

A RESILIENT TOMORROW

Capital aligned with the
systems people and
communities rely on.

A disciplined approach to complexity, downside and execution.

SECTOR FOCUS · 05 / 06

Financial services, energy & *strategic resources*

FINANCIAL SERVICES & FINTECH

Modern financial infrastructure.

- Modern infrastructure
- Payments
- Evolving financial services

ENERGY & STRATEGIC RESOURCES

Essential systems for the global economy.

- Energy and commodities
- Infrastructure
- Resources essential to the global economy

Selective exposure guided by relevance, resilience and structural demand. A cross-sector view helps connect capital with changing economic systems.

SECTOR FOCUS · 07

Consumer, luxury & *strategic opportunity*

- Consumer and luxury opportunities where brand, experience and long-term relevance intersect
- Selective partnerships supported by capital, networks and strategic insight
- A broader perspective across sectors creates access to differentiated possibilities
- The filter remains consistent: quality, alignment, resilience and value creation

THE CONSISTENT FILTER

Quality
Alignment
Resilience
Value creation

FROM RESEARCH TO RESPONSIBLE OWNERSHIP

Insight before *action*.

- Market analysis: data, context and opportunity
- Economic intelligence: macro trends and real-world impact
- Sector research: industries in focus
- Risk assessment: a clearer view ahead
- Technology and structural trends: what shapes tomorrow
- Responsible ownership, strong governance and ethical decision-making

MANAGEMENT CAPABILITIES

A broader platform for *complex capital*.

01 Investment Management

Research, opportunity selection, strategic allocation and performance oversight.

02 Portfolio Management

Construction, risk-adjusted allocation, monitoring and review.

03 Family Office Services

Governance, wealth coordination, legacy planning and strategic oversight.

04 Private Wealth Advisory

Strategy, structuring, evaluation and long-term planning.

05 Capital Allocation & Strategy

Prioritization, scenario planning and opportunity assessment.

06 Risk Management

Identification, downside analysis, resilience and ongoing monitoring.

WHO WE PARTNER WITH

Partners with a shared *perspective*.

01

Private investors

Selective opportunities and strategic guidance.

02

Family offices

Preservation, diversification and long-term growth.

03

Institutional partners

Structured investment and co-investment relationships.

04

Strategic capital partners

Capital, expertise and networks working together.

ALSO

- Founders and entrepreneurs building ambitious businesses

- Co-investment opportunities with aligned capital, expertise and time horizon
